Experience the difference
with bright, fluorescent
laminated tapes

Enhance workplace safety and increase visibility

Perfect for marking hazards or identifying equipment and machinery, Brother's laminated fluorescent tapes are designed to withstand even the toughest of industrial conditions.

With a bright fluorescent yellow or orange color, our tape will ensure your employees can see and avoid potential hazards, reducing the risk of accidents and injuries. Plus, they are available in both 12mm and 24mm, so they will be sure to stand out!

Print. Copy. Scan. Fax. Label...and Sew much more. www.brother.co.za
